

Systematic search support request

A high-level search of multiple relevant sources to identify all the evidence that meets the criteria you include below to answer your research question.

Requester's name*	
Email address*	
RCS England Membership number*	
Where did you hear about the literature search service?*	
Title of search*	
Population age group, condition, disease or treatment stage, etc.	
Intervention please include as much detail as possible	
Comparators where appropriate	
Outcomes where appropriate	
Exclusion criteria e.g. non-English language papers, no animal/cadaveric studies	
Search period e.g. last ten years	
Suggested databases and sources to be searched we search MEDLINE and Embase as standard but can also include Cochrane	

<p>Do you require us to search grey literature? if this is required please specify likely sources e.g. specialty association websites, grey literature databases, etc.</p>	
<p>Supporting information research question, context, suggested search terms, etc.</p>	
<p>Requirements for results format* select as many as applicable</p>	<p><input type="checkbox"/> Word document <input type="checkbox"/> PDF <input type="checkbox"/> Reference manager (.ris) file for use with citation management software please also specify the software you will be using:</p>
<p>Disclaimer: Any results sets with over 250 references will need to be sent as a reference manager (.ris) file as they will be too large to export into a document. We do not sift results for systematic searches (other than removing duplicates) so that requesters can see the full range of what has been retrieved.</p>	

Please save this editable PDF to your own device *before* you edit and e-mail to evidencesupport@rcseng.ac.uk once completed.

We will acknowledge receipt of your request within two business days and suggest a delivery date for our search results. Our search results will include links to full text articles where covered by RCS England e-journal subscriptions and accessible to you with your RCS England login.

What we do with your information:

The information you have given on this form will be held by the Library and Archives Department of the Royal College of Surgeons of England on a compartmented secure server for four years in accordance with the General Data Protection Regulation (GDPR), and will be used only in connection with the purposes that you originally contacted us for. The information is kept by The Royal College of Surgeons of England and will be available to all members of staff within the same department, and will not be shared throughout the wider organisation unless instructed otherwise. Should you wish to find out more about how we handle your information, or to discuss other services provided by the Royal College of Surgeons of England, please contact library@rcseng.ac.uk
