

Job description

Job title:	Learning & Development lead – part time 0.6 FTE
Grade:	4b
Department:	HR
Responsible for:	HR Advisor – Wellbeing and Engagement
Accountable to:	Head of HR

Job summary

The post holder will lead on the design of the Colleges L&D offer and strategy. The post holder will lead on learning and development initiatives across the College to enable leaders and managers to develop and empower talented people and promote a diverse and inclusive organisation. The post holder will design and deliver new learning and development frameworks and approaches to build capability within the College. The post holder will manage the College's learning and development activities, including developing and delivering leadership and talent management activities.

Specific duties and responsibilities

Main duties and responsibilities of the role:

- Lead the design of the College's L&D offer and strategy.
- Review current e-learning provision, undertake market review and propose new solution taking the colleges strategic aims into account
- Work alongside internal stakeholders to identify and support individual and team learning needs, including providing support with implementing personal development plans.
- Identify gaps in skills, knowledge and experience at an individual and team level and make recommendations to address gaps.
- Foster and develop an embedded culture of learning and continuous improvement.
- Create up to date, engaging and professional training content.
- Work with internal stakeholders to support the digital upskilling of staff as part of the organisations digital transformation project
- Develop, facilitate and deliver a variety of training programmes to new and existing employees, through face-to-face, hybrid (blended) and virtual learning.
- Confidently engage with learners of varying abilities, using a broad range of training methodologies and questioning techniques.
- Manage participation and ensure learning objectives for each training session is achieved.
- Lead on the development and deliver strategies that identify, develop and retain top talent.
- Lead on the development of tools and make recommendations to support career progression and succession planning.

Collaboration

Respect

Excellence

- Work with a variety of internal stakeholders to plan and prepare the implementation of any training courses, including advertising training courses and dates, monitoring bookings and taking a proactive approach to increase attendance numbers when they are low.
- Complete evaluation mechanisms for learning outcomes including the use of quantitative and qualitative feedback where appropriate.
- Measure and assess all training courses for their effectiveness and business relevance, and continually seek ways to improve learning solutions.
- Lead the implementation of an Apprentice Scheme.

This job description will be subject to review in the light of changing circumstances and may include other duties and responsibilities as may be determined. It is not intended to be rigid or inflexible but should be regarded as providing guidelines within which the individual works.
